## TRUMBULL STREET STREETSCAPE STAKEHOLDER MEETING

### ---MEDIA ADVISORY---

The Development Services Department will be holding a meeting with the Business for Downtown Group this Wednesday, May 24, 2006 at 8:30 a.m. in the Century Room at 242 Trumbull Street.

Mayor Perez will be on hand to promote his vision that Hartford is a "walkable city." Director of Development John Palmieri will outline details, by presenting the latest plans for streetscape improvements along Trumbull Street between Bushnell Park and I-84. The plans include widening the sidewalk, decorative lighting, and additional landscaping.

A testing program is slated to begin soon to determine the precise location of underground utilities.

Milone and MacBroom, Landscape Architects, have been working on the plans for several months under the direction of the Development Services Department.

For more information on this public meeting, please contact Roger J. O'Brien, Director of Planning at (860) 757-9054.
